

Nature's healing embrace

Premium Ayurvedic & Herbal Supplements for Global Wellness

The Adaptogenic Rejuvenators

Ashwagandha (*Withania somnifera*)

Premier Rasayana for Stress Resilience & Vitality

- **Nagori Grade:** Sourced exclusively from the superior Nagori variety
- **Artisanal Churna:** Finely sieved powder for enhanced bioavailability
- **Rasayana Heritage:** Traditionally used to promote youthful physical & mental vitality

Key Benefits

- Neuroprotection & memory support
- Immune modulation & antioxidant activity
- Adaptogenic stress resilience (non-stimulant)

The Adaptogenic Rejuvenators

Krishna Tulsi (*Ocimum sanctum*)

High-Potency “Dark Basil” for Respiratory & Immune Support

- **Distinct Profile:** Dark leaves & purple stem; deeper tissue action
- **Bioactive Rich:** Naturally high in eugenol & antioxidants
- **Therapeutic Use:** Supports respiratory health; relief from coughs & colds

Key Benefits

- **Respiratory Defense:** Helps relieve cough, cold, congestion & seasonal allergies.
- **Immune Modulation:** Supports immune response with strong antioxidant activity.
- **Anti-Inflammatory Support:** Eugenol-rich profile helps reduce inflammation & oxidative stress.

Digestive & Metabolic Guardians

Haritaki Powder (*Terminalia chebula*)

The “King of Herbs” & Foundation of Triphala

- **Five-Taste Integrity:** Retains all five Ayurvedic tastes for holistic action
- **Potent & Light:** Preserves traditional ushna virya (hot potency) and laghu guna
- **Nutrient-Rich:** Naturally contains Vitamin C, Vitamin K, magnesium & amino acids

Key Benefits

- Enhances digestion & gut motility
- Supports metabolic balance & weight management
- Helps regulate blood sugar levels

Digestive & Metabolic Guardians

Bael / Wood Apple (*Aegle marmelos*)

Ancient Digestive Guardian of Ayurveda

- **Whole-Plant Use:** Leaf, bark, root & fruit for maximum medicinal value
- **Targeted GI Support:** Especially effective for chronic digestive disorders
- **Tridosha Action:** Balances Vata, Pitta & Kapha

Key Benefits

- Supports IBS, diarrhea & chronic indigestion
- Soothes abdominal discomfort & gut inflammation
- Strengthens overall digestive function

Digestive & Metabolic Guardians

Kalmegh (*Andrographis paniculata*)

Bioactive Support for Liver, Digestion & Skin

- **Full-Spectrum Extract:** Leaves (bitter lactones) + roots (flavonoids)
- **Hepatoprotective:** Supports liver & gallbladder health
- **Dermal Support:** Traditionally used for skin purification

Key Benefits

- Promotes liver detox & bile flow
- Aids digestion & metabolic cleansing
- Helps manage acne & inflammatory skin conditions

Premium Oils & Superfoods

Extra Virgin Olive Oil (EVOO)

The Gold Standard of Functional Fats

- **Cold Extraction:** Obtained by crushing olives and centrifugation — no chemical solvents
- **Unrefined Purity:** Preserves natural polyphenols like oleacein & oleocanthal
- **Clean Nutrition:** ~119 kcal per tbsp; smoke point ~207 °C

Key Benefits

- Rich in oleic acid (~73%) to reduce inflammation
- Supports brain & cardiovascular health
- Superior antioxidant activity compared to refined oils

Premium Oils & Superfoods

Cold Pressed Sunflower Oil

Mechanical Purity for Nutrient Retention

- **Low-Temperature Pressing:** Extracted mechanically without heat or solvents
- **Naturally Nutrient-Rich:** Retains Vitamin E & Omega-6 fatty acids
- **Clean Flavor:** Light, nutty aroma without chemical aftertaste

Key Benefits

- Supports heart health & antioxidant defense
- Free from chemical residues & preservatives
- Ideal for low-medium heat cooking & dressings

Premium Oils & Superfoods

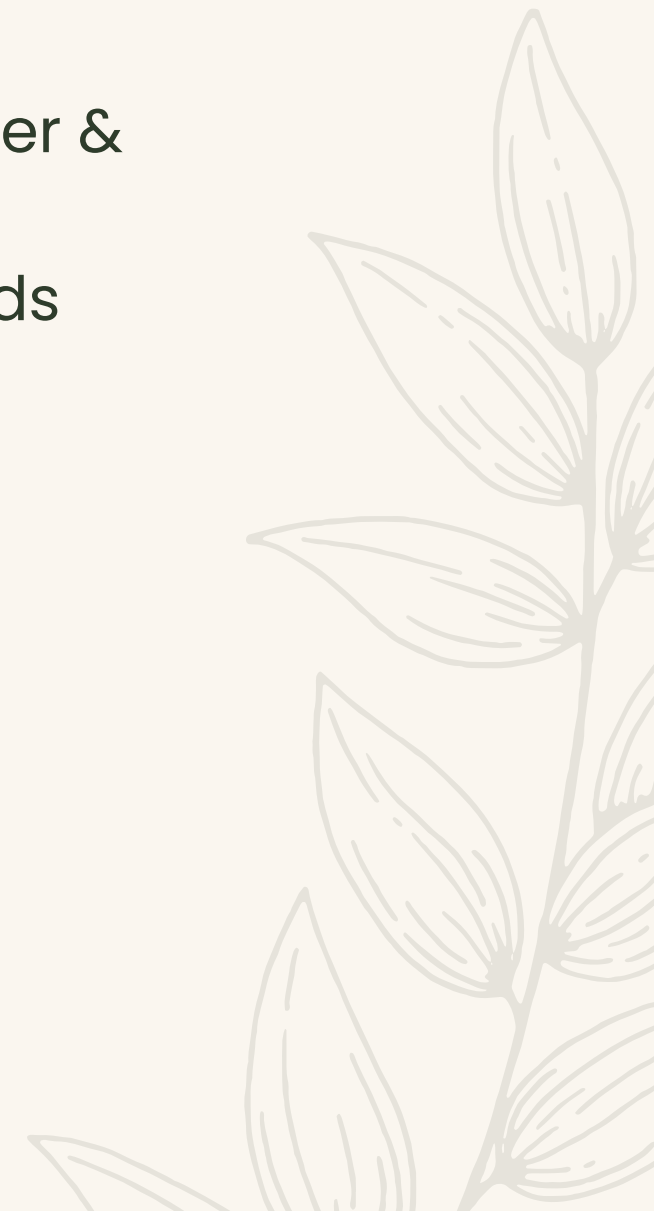

Desiccated Coconut Powder

FSSAI-Grade Quality for Global Markets

- **Controlled Processing:** Peeled, milled & hygienically dried coconut kernel
- **Purity Assured:** Bright white; free from foreign matter & microbial contamination
- **Flexible Formats:** Available as flakes, chips, or shreds

Key Benefits

- Long shelf life with consistent quality
- Versatile for food, bakery & industrial use
- Export-compliant for international markets

Thank You.

Our Commitment to Quality: From Nagori Ashwagandha to cold-extracted oils, every product is crafted to meet global quality, purity, and export standards.
